We are pleased to announce that we are starting a Griefshare for children and teens in February that will run concurrently with our adult program. It is a 13 week class.

We are having an Open House and Registration Feb. 6, 2017 from 6:00 - 8:00 PM. Come meet our leaders. We hope you can attend, but if you can't make it that day, you can still register when the sessions start Feb. 20, 2017 from 6:30 - 8:30 PM.

Growing Seasons is designed to help children heal from the death of a loved one. This is a peer support group for children. It provides them with a safe place to talk about their loss and helps them move through the grief process toward healing. It offers practical steps based on biblical principles. The Parent Guide enables parents to discuss with the child and let him or her share what is being learned.

Growing Seasons includes curriculum for 4 age levels:

Ages 4-5, grades 1-3 and grades 4-6 along with classes for Junior and Senior High.

Junior High and Senior High will be with adults, but will be in their own discussion groups, after the video.

Griefshare is sponsored by Gasburg Baptist Church, for more information about these classes, and for times and registration please contact either
