

Dear friend and neighbor,

Growing up in Morgan County I never thought I'd be sitting in my current seat. It's a great honor to be able to represent every corner of our county and support all of the good people of our community.

For nearly 20 years, the Community Foundation has been providing grants to community organizations and scholarships to local youth, and now we're hoping to tackle serious issues in our county with your help.

I need your advice and input on our community.

I'd like to invite you to join in a conversation by completing the enclosed survey. We need to hear from you about life in Morgan County. What do you like best? What needs fixed or added to for more good to happen? We are proud of our traditions here but we also know times have changed.

The survey is completely voluntary. You can leave blank any questions you don't wish to answer and most importantly, your responses will remain confidential and anonymous!

Please offer 15 minutes in your day to answer the questions as best you can. You can return the questionnaire in the enclosed reply envelope. Those wishing to provide their contact information to receive updates from CFMC will be entered to win a \$100 gift card.

We cannot do this without your feedback so I appreciate your participation in the survey and reply by Thursday, October 31st.

If you're interested in learning more, visit our website at www.cfmconline.org/survey or email us at info@cfmconline.org.

Best,
