**Transportation:** Beginning Wednesday, July 26<sup>th</sup> and throughout the school year, Monroe-Gregg School District parents will be able to access their student(s) Transportation Information on-line through the MGSD web-site at [www.m-gsd.org](http://www.m-gsd.org). Parents will need their student(s) user name and password to obtain this information. If you have never registered, you will receive this information at registration. Bus routes and stops will be updated daily and will provide the quickest and easiest method for parents to obtain bus stop information. Please have your student(s) at the assigned bus stop at least five (5) minutes early. During the first few weeks of the school year, please be aware that your student(s) bus number or route times may vary to accommodate growth and other changes that may occur. Our drivers are not permitted to let kindergarten students or 1<sup>st</sup> graders off the bus without a parent/guardian at the assigned stop or a written note from the student’s parent/guardian giving permission for the child to be released to another adult or student. If your student is not picked-up or dropped-off at the same place everyday, please make sure the student transportation information is always clear and up-to-date. There will be no bus passes given out at this time, due to the lack of space available on buses. If you have any questions, please contact Gina Speck, MGSD Transportation Director at 317-996-3720 ext. 6 or by email at [gspeck@m-gsd.org](mailto:gspeck@m-gsd.org). **Reminder: Although we welcome transfer students, bus transportation is not provided. It is the sole responsibility of the parent/guardian to provide dependable transportation for transfer students.**
