March 13, 2020

Dear Monroe-Gregg Families:

Based on the guidance of Governor Holcomb, Monroe-Gregg School District will be closed beginning Monday, March 16th. School will open no sooner than Monday, April 13th. At this time there have been no confirmed cases of COVID-19 in the Monroe-Gregg School District. These actions are being taken out of an abundance of caution. Please note that this situation continues to be fluid, and the return date could possibly extend. Should conditions change that date, all families will be notified.

If your child has medication at the school please contact your child's school to give permission allowing the child to take the medication home today; or plan to pick up the medication this afternoon by 4 P.M. or Monday, March 16th between 8 A.M and 2 P.M.

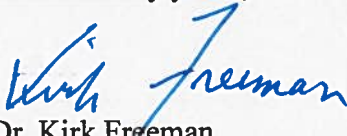

The M-GSD Food Service Department/Taher, Inc. will have a limited amount of cold food packs available for Monroe-Gregg students in need. These packs will contain five (5) breakfasts and five (5) lunches. You can pick up a food pack on Monday, March 16th in front of Monrovia High School, door # 3 between 11 -11:30 A.M. Check the website for future distributions.

All events and school related activities during this time will be cancelled. The buildings will be closed for cleaning.

All students have been given materials to work on during this closure. Hard copies will be sent home today. We know that change is easier for some than others, and for that reason your partnership in your child's education will be even more important now. I cannot thank you enough for all that I know you will be doing to help your child through this situation.

As always, thank you for the support of our schools. Especially during these unprecedented times, that support is even more appreciated.

Educationally yours,

Dr. Kirk Freeman
School Superintendent
