

The Gunner Project's

2nd Annual

FOOD DRIVE

Gunner's legacy of helping others is carried on through this Annual Fall Food Drive. Gunner was a strong, handsome, 14 year old boy who passed away from DIPG brain cancer last year in September. This food drive was going to be his Eagle Scout Project. So we, his family, friends and Scouting Family have made it our mission to not only complete his project for him last year but have made it an annual event. We were able to feed hundreds of families last year during the Holiday Season and can't wait to do the same this year!! The Food Pantry at Wellsprings is now named after Gunner and we want to fill it up and help the families in his honor!

Your help by donating any canned foods, non-perishable items and hygiene items would be greatly appreciated!!

All donated items stay local in our community, being divided between Wellsprings and other local pantries.

We will be collecting the donated items from:

November 5-9, 2018
