

Kindness Changes Everything

Our August Service Project : Comfort Bags for Cancer Patients

Each homeroom will put together a comfort bag. If you would like to participate please send in any of the following items: mints, crossword puzzles, socks, gum, Kleenex, chapstick, lotion etc. We have a few individuals in our school community currently affected by cancer who will be receiving a bag. If you know of anyone in our community who is also affected, please contact Melissa York at myork@m-gsd.org or Kelli Kizzee at kkizzee@m-gsd.org. All remaining bags will be provided to St. Francis Cancer Care Unit and St. Vincent Cancer Center.

Thank you for your support and for helping us teach our students the importance of KINDNESS.!
