STUDENT TRANSFER APPLICATION FOR ENROLLMENT

Students who do not reside in the Monroe-Gregg School District and wish to enroll in the school system as transfer students will be considered in the following manner:

1. Application for admission as a transfer student should be submitted to the Administration Office prior to the start of the school year.
2. The Superintendent and the Building Principal will review the request for acceptance or rejection of the application based on:
 - A. Availability of space
 - B. Availability of programs
 - C. Impact on teaching personnel
 - D. Corporation funding levels
 - E. Student's attendance patterns
 - F. Student's behavior records per IC20-26-11-32
3. A student may be accepted if his/her needs can be accommodated with current staffing and program offerings and whose enrollment does not adversely affect the programming for resident students.
4. Transfer applications will be accepted or rejected on an annual basis. Applications must be submitted each year and will be subject to review prior to the opening of each school year. The Board delegates authority to the Superintendent to deny a student's application to transfer to the Corporation, discontinue enrollment of a transfer student currently attending, rescind approval of a student approved to attend in a subsequent year, or establish terms or conditions for enrollment or for continued enrollment in a subsequent school year if the student meets the criteria per Board Policy 5111.
5. The administrative staff will act upon the request for admission and inform the applicant of the decision to accept or reject the application.
6. All transportation, book fees, student fees, athletic fees, lunches, etc. will be the responsibility of the parent or guardian.
